

ARYAN MODI

DEVOPS / CLOUD ENGINEER

+91 7852857616 | aryanmodi1082@gmail.com | [linkedin.com/in/aryan-modi](https://www.linkedin.com/in/aryan-modi) | github.com/aryanmodi1082

PROFESSIONAL SUMMARY

Computer Science graduate with a Cloud Computing specialization and hands-on exposure to AWS, Linux, Git/GitHub, Docker, Kubernetes, Jenkins, Terraform, Prometheus and Grafana. Interested in DevOps, cloud automation, CI/CD and reliable infrastructure. Also bring practical operations and problem-solving experience from working in a manufacturing business.

TECHNICAL SKILLS

Cloud	AWS · Google Cloud Platform (GCP)
DevOps / CI/CD	Git · GitHub · Docker · Kubernetes · Jenkins · CI/CD
Infrastructure / Monitoring	Terraform · Prometheus · Grafana
Systems	Linux · Bash
Programming / Web	C++ · JavaScript · HTML · CSS
Foundations	Data Structures & Algorithms · Cloud Computing

EXPERIENCE

Modi Traders — Manufacturing Business | Operations & Technology | Entrepreneurial / Operations Experience

- Coordinate day-to-day manufacturing operations, procurement, inventory, dealer communication and order execution.
- Work on process and technology improvements for stock, accounting/GST, attendance, CCTV and operational tracking.
- Develop practical experience in troubleshooting, process ownership, vendor coordination and customer-focused problem solving.

PROJECTS

Cloud Security in Heterogeneous Multicloud

Research/project work covering identity and access management, data at rest and in transit, vulnerability and threat management, and auditing across heterogeneous multi-cloud environments.

Text Compressor

Implemented Huffman coding to compress text into binary representation and support decompression.

GitHub Scraper

Built a project to scrape GitHub repositories and surface popular repositories.

Google Chrome Extension

Designed an API-based browser extension that displays random jokes.

EDUCATION

Manipal University Jaipur — B.Tech in Computer Science (Cloud Computing) | 2020–2024 | **CGPA: 8.33**

CERTIFICATIONS

- Full Stack Development with React & Node JS — GeeksforGeeks
- DSA in C++ Certificate of Excellence — Coding Ninjas
- AWS Academy Graduate — AWS Academy Cloud Foundations
- 30 Days of Google Cloud

LANGUAGES

English — Professional working proficiency | **Hindi** — Native proficiency
